Intensive preparatory class to engineering school	2021
Majoring Engineering and Physics	2023
Lycée Couffignal - Strasbourg	
High School Diploma - with honors	2018
Specialized in Mathematics and engineering	
Institution Notre Dame - Strasbourg	2021

CERTIFICATES

Cambridge B2-First	2021
Grade A - C1	
PIX	2023
Score : 517	
Driving license	2024

PROJECTS

N7 Studio (2024)

- N7 Studio is a music composition software inspired by FL Studio that we developed in a team.

Traffic Light Optimization (2023)

- I use a microscopic traffic model to test the efficiency of several traffic light algorithm to reduce the wait time for drivers.

PC and Keyboard Build (2022)

- I built my own desktop computer and keyboard to fit my needs and better my understanding of computer's hardware components.

Immersive Cablecam (2021)

- A group project we worked on as part of Engineering Science class. Helped by our teacher, we built a radio controlled travelling camera that moved on a set cable.
